ELITE TEAM TRADING LLC

About Us

Elite Team Trading llc established in 2011, leading Traders of Total Engineering Solutions catering to the needs of all market sectors. We provide the best quality products for Petroleum, Oil & Gas and downstream production facilities as well as for power industries in UAE, Sultanate of Oman and other GCC Region. The Trading portfolio includes wide range to Electrical, Mechanical and Instrumentation products in quick service pertaining to the customer needs and satisfaction.

Vision

To be a reliable, credible, distinguished and preferred supply provider to the industry by being constructive mediator of business between the Manufacturer and the Customer.

Mission

Establish a sustainable business enterprise by utilizing available resources of capital, goodwill, expertise and opportunities for the long-term benefit of clients.

Quality

As we believe in raising our benchmarks of quality, we maintain stringent quality standards in our supplies and products.

We ensure that the product is of excellent quality. Remaining true to our beliefs, we strive for continuous improvements in the way we work and deliver products to our customers with whom we wish to maintain a lasting business partnership.

Clientele

Growth of the company over the years is attributable to customer's faith in our company's ability to perform well.

We primarily focus on various aspects of quality, timely delivery, industry leading price, service and commitment thus we have created a wide client base across the GCC. Our clients appreciate the quality of our supplied products. To ensure the utmost satisfaction of our clients, we make sure to cater to the various requirements of our customers, within the stipulated time frame.

Some of the factors that enable us in acquiring utmost client satisfaction include:

- Instant response to customer's queries
- Customize as per their specific requirements
 - Easy transaction modes
 - Delivery within stipulated time frame

Our consistency in delivering qualitative range of Electrical, Mechanical , Instrumentation products and zeal to maintain cordial relations with clients have enabled us to create a strong position in the market. Furthermore, their trust and positive response encourage us to offer right product and right time.
